## Board of Directors Application

### Part 2 – Tell Us about Yourself

Bio – (100 word or less) I moved to BC 6 years ago to complete my Bachelor’s of Tourism Management at TRU. I fell in love with Cross Country Skiing my first winter here and promptly applied for a job at Stake Lake. I got to work operations and even be GM in my 5 years at Stake Lake as an employee. My other interests include backpacking, mountain biking, rock climbing, horses and paddling. My many other hats include summer manager of a white-water rafting company in the Kootenays, horseback riding instructor, recreation management researcher, devoted partner, and dog mom to a mini schnauzer, Maikoh.

Why do you want to be on the board? (75 words or less)

Overlander Ski Club is a wonderful community brought together by an amazing sport. I love to do anything I can to continue to make the club the best place it can be for every single skier that comes through. I want to see more people enjoying such a low barrier, healthy and inclusive sport and learning to love winter.

What Skills and Experience do you bring to the board? (75 words or less)

I have a Bachelors in Tourism Management and will eventually complete my Masters of Recreation Management. I have a strong background in business administration and a good understanding of not for profits. I have lots of experience applying successfully for grants. I am an avid cross-country skier. I have a deep understanding of the operations of Stake Lake and its staff and volunteers from my many years working there.
