Board of Directors Application

Part 2 – Tell Us about Yourself

Bio – (100 word or less)

I have been a coach for the Overlander ski Club programs for the past 17years and almost the same as a board member with this club. I have represented the Junior racing as well as the rest of the ski league programs for much of this time.

Why do you want to be on the board? (75 words or less)

I have an in-depth knowledge of competitive cross country skiing and programs. I bring my technical knowledge of the sport and my desire to keep moving the club to be the best club atmosphere it can possibly be, the best possible facilities and enjoyable skiing opportunities.

What Skills and Experience do you bring to the board? (75 words or less)

I have worked in various positions on this board. Other than being the head coach for the Junior Racing team and ensuring the ski league is represented on the board, I have worked to upgrade the rental program as well as provided grooming and trails support when needed.
