### Part 2 – Tell Us about Yourself

#### Bio – (100 word or less)

I am a 65 yr old recently retired outdoorsy female. I love cross country skiing and have been active in it since I was a teenager. I have 2 married children and one grandchild who all live in Kamloops. I maintain a small house and garden I love to hike, kayak, bike and travel. My partner lives in Alberta (I spent 9 years there, but moved back a few years ago to be closer to my children/grandchildren). I do travel in between provinces a fair bit. Along with this and other travel, I come and go a lot!

#### Why do you want to be on the board? (75 words or less)

I am looking for meaningful volunteer opportunities that balance with my lifestyle. Because cross country skiing has been such a big part of my winter enjoyment over the years, and because I have come to Stake Lake so many times, I feel like this might be a way to give back.

#### What Skills and Experience do you bring to the board? (75 words or less)

My main practical skills are administrative (office type) work. I was a secretary for many years, so my comfort zone is organizational type skills. Having said that, I am open to branching out and exploring other options. However, I do come and go a lot during the season, so would hesitate to commit to something that required my presence throughout the season.
