Bio – (100 word or less)

I have been a member of the Club since my family moved to Kamloops in 2016. I love being in the outdoors cross country skiing and riding my mountain and gravel bikes. My family is incredibly involved in the Club, my son races for the Club, my husband is a ski league coach and I have created the Clubs women's ski group, Chix on Stix.

The Club is my second home during the winter months. I want to be able to give back to this place that has given me so much and showcase how amazing the Overlander Ski Club is.

Why do you want to be on the board? (75 words or less)

Since becoming a member, I have watched the Club grow at an exponential rate and I think the time is right for some fresh perspective to be brought to the Board. I would like to work towards bridging the gap between membership expectations, management of the Club and Board priorities. I will be open the listening to members regarding what is important to keep our current membership base while attracting new members to the Club.

What Skills and Experience do you bring to the board? (75 words or less)

In my professional life I am the Director of a large team of professionals involved in Provincial natural resource decision making. I am strong communicator, and I believe in fostering transparent, trust-based relationships. I am skilled at being able to address complex issues to come to mutually acceptable outcomes which I believe will be an asset to the club. I also have an in-depth understanding of the management of Crown Land and the Provincial land tenuring system.
