Board of Directors Application

Part 2 – Tell Us about Yourself

Bio – (100 word or less)

I am a long time member of the Overlander Ski Club and a keen cross country skier. I also enjoy some downhill and backcountry skiing, as well as hiking, backpacking, biking and flute playing.

I have a background in accounting (lots of spreadsheets!) and have recently retired.

When my kids were young, I helped as a leader in the ski development program (JackRabbits) for a couple of years, then wanted to contribute further, so joined the ski club Board as a director at large, then became membership administrator (current position).

Why do you want to be on the board? (75 words or less)

I would like to continue on the board as membership administrator, as I enjoy working with the other Board members, who are keen and capable. I like helping members with their registration questions about membership options.

I have learned what frustrations people have with registration, since it can be confusing as we have quite a few options for passes and ski development classes. Each year I try to update and simplify the registration process.

What Skills and Experience do you bring to the board? (75 words or less)

I have served as membership administrator for about 10 years, and in that time have learned a lot about the zone4 registration system, which occasionally has its challenges.

Up until last year, I printed out all season pass cards and coordinated with the ticket booth staff, who distributed them. With the large increase in members, it made sense last year to finally go digital and provide online season passes through zone4.
