Part 2 – Tell Us about Yourself

Bio – (100 word or less)

I am a long time member of the Overlander Ski Club and a keen cross country skier. I also enjoy some downhill and backcountry skiing, as well as hiking, backpacking, and biking.

I have a background in accounting (lots of spreadsheets!) and have recently retired.

When my kids were young, I helped as a leader in the ski development program (JackRabbits) for a couple of years, then wanted to contribute further, so joined the ski club Board as a director at large, then became membership administrator (current position).

Why do you want to be on the board? (75 words or less)

I would like to continue on the board as membership administrator (registrar), as I enjoy working with the other Board members, who are keen and capable. I like helping members with their registration questions about membership options.

I have learned what frustrations people have with registration, since it can be confusing as we have quite a few options for passes and ski development classes. Each year I try to update and simplify the registration process.

What Skills and Experience do you bring to the board? (75 words or less)

I have served as membership administrator (registrar) for about 10 years, and in that time have learned a lot about the zone4 registration system, which occasionally has its challenges. Online season passes are now digital, provided through zone4.
