### Part 2 – Tell Us about Yourself

Bio – (100 word or less)

Lived in Kamloops for 22 years, I am admittedly still a beginner skier. I am a member of the Kamloops Printmakers Society and Scholars without Institutions. Working as an artist in Painting, Printmaking and Artist Bookmaking.

Why do you want to be on the board? (75 words or less)

I have been working as Ways and Means Director for the last 4 years. This past year, with input from key people from the board and Chris Jones, we were successful in garnering 4 large grants for Overlander Ski Club, almost \$400,000. I am hoping to stay on the board one more year to assist the next Ways and Means Director and ensure reports for grants received are completed.

What Skills and Experience do you bring to the board? (75 words or less)

4 years board experience on Overlander Ski Club board; 16 years' experience as member on Kamloops Printmakers board.

I have owned two businesses that required Project Planning, 1) environmental reclamations and 2) operated a small travel guide company taking multiple small groups on international adventures to over 50 countries around the globe.
