Part 2 – Tell Us about Yourself

Bio – (100 word or less)

We moved from Nanaimo six years ago to be closer to family, skiing, and biking. My wife retired from teaching and is now an accompanist with many choirs here; and I spent my career in management with CIBC Wood Gundy, and as founder and manager of Investors-Aid, a consumer website for Canadian investors.

Why do you want to be on the board? (75 words or less)

I'd like to help Overlander to continue to grow and prosper in any way I can, and to help as many people as possible to get involved with cross country skiing.

What Skills and Experience do you bring to the board? (75 words or less)

Setting up and growing Investors-Aid required designing and writing online services, and constantly building membership with local and national media connections. I also wrote and published the IA publications, articles, and releases.

I would like to build on what I learned last year by strengthening connections with retailers, the City, Rogers/Shaw for community TV, CBC Radio, Kamloops Tourism, and online media. The website is also in need of replacement or reno to make access to information quicker and easier.
