Part 2 – Tell Us about Yourself

Bio – (100 word or less)

I am a writer, filmmaker, and branch head of a small library. My previous sport experience includes a BSc in Kinesiology, working in university for the BC Blind Sports Association, Sport and Fitness Council for the Disabled, and coaching for Cerebral Palsy Sports. I enjoy hiking, running, snowshoeing, and cycling, but my favourite activity is recreational Nordic Skiing. I have worked in libraries for the last 15 years where I routinely connect people with the resources they need. For the past 30 years, I have worked in advertising where many of my clients were contracted to large sporting events.

Why do you want to be on the board? (75 words or less)

I have been on the board for six years and president for five. I want to be on the board because I care about the strength of the club and the direction we are heading in. The club is undergoing a massive transition now and I believe strong, responsible management at the board level will continue to ease some of the growing pains and help the club stay on solid footing in the future.

What Skills and Experience do you bring to the board? (75 words or less)

I bring experience and understanding of the working of the board, and the history behind many of the issues we are facing. I believe the board's job is to keep the resources of the club secure and balance the needs / desires of a lot of competing interests who often don't agree with each other. It also means continually looking at the bigger picture, our strategic plan, and moving forward with that in mind.
