Part 2 – Tell Us about Yourself

Board of Directors Application

Bio – (100 word or less)

I've lived in Kamloops for close to five years and been involved with the Overlander Ski Club before, first as the Ski League Coordinator in 2022 and currently as a Level 3 Jackrabbit coach. Growing up in Langley, I skied at Cypress Mountain in North Vancouver and coached there as well once I had completed Jackrabbits, Track Attack, and some junior development training. I skied for the University of British Columbia in my third and fourth year. I am a young working professional, and besides skiing I love to mountain bike, snowboard, garden, and play pickleball.

Why do you want to be on the board? (75 words or less)

My parents put me in Bunnies and I went through the entire program, from age four to fifteen. I love skiing, and I believe its an amazing sport for staying healthy, fit, social, and connected to the outdoors. It's a sport you do for life, so I hope I can be involved in some capacity for as long as I can, and I hope to help guide the direction of the club as a director.

What Skills and Experience do you bring to the board? (75 words or less)

I work for the City of Kamloops in municipal planning, so I bring expertise in communication, project management, community engagement, and customer service. I have experience working with young athletes, parents, and coaches, and understand the structure of the Cross-Country Canada programs. I'm familiar with racing, coordinating events, and using the platforms Nordiq Canada, Zone4, and TeamSnap. I am proficient in Microsoft suite and ArcGIS programs (mapping).
